

what's happening

Throughout the weekend we have a variety of entertainments for you. Many of the performances are given at a reduced fee in order to maximise the money we raise for the causes we support.

Graham Nunn and **The Church Army** welcome visitors, children or adults, for a chat on their boat *Narrow Escape* on the Stone Wharf.

Throughout the weekend there will be an **exhibition of children's art** at the management offices of PaddingtonCentral, Sheldon Square. This is from a competition run by PaddingtonCentral and Paddington Waterside Partnership with local schools on the theme *Life on the Canal*.

We have organised a range of **kids' activities**, details of which can be found on page 9. You can collect more information about these activities from our **Information Points** - one on the **South Towpath** in the Pool and the other on the **Paddington Towpath**, near the pedestrian bridge.

There will also be **music** - of all genres - being played around the site: by the Horse Bridge, on the pontoon in the Pool and on the Stone Wharf.

In addition, during the Festival, the *Puppet Theatre Barge* will be performing their **Puppet Show** *Candy Floss & Fun* daily at 14:00, 15:00 and 16:00 aboard *May Brent* on the North Towpath.

Prices: Children and concessions £8.50, adults £10.

+ If wet, the events scheduled for the Amphitheatre will move to the Entertainments Marquee on The Stone Wharf

\$ If you need directions to the meeting points for the walks please ask at the Information Points

*** For safety reasons please avoid the towpath around the Pool on Sunday evening. The best viewing positions are from the raised pavements of the roads around the Pool.**
