IMPORTANT - PLEASE READ CONDITIONS OF ENTRY OVERLEAF

Conditions of Entry

1. All information given on this form should be complete and correct at the time the entry is submitted. You should advise any changes to the Organisers, in writing, as soon as possible. This entry covers the named boat only and no transfers can be permitted without the Organisers' written agreement. Refunds will not be made if you cancel your attendance.
2. IWA Kent & East Sussex Branch ('the Organisers') reserve the right to refuse any entry without giving any reason. If you wish to receive an early advice that your entry has been received and accepted before 15 April 2013 please enclose a stamped and self-addressed envelope with your entry.
3. You confirm that you will hold third party insurance to a minimum amount of £1,000,000 for at least the period that the craft is to be moored at the Festival.
4. You agree to abide by all relevant bye-laws and licensing requirements of the navigation authority whilst the craft is moored at the Festival. This includes displaying the correct craft licence and satisfying the requirements of The Boat Safety Scheme.
5. You agree not leave any litter, or cause pollution to the waterway, the towpath, the Festival site or the surrounding area. This includes not discharging any toilets into the waterway and not leaving excrement from pets on the towpath or surrounding area.
6. Toilet emptying facilities will be available at predetermined times. **This will be subject to strict enforcement of NO BLUE being allowed.**
7. You agree not store any equipment on the towpath or adjacent to it, and not to cause any obstruction or nuisance to others, whether by excessive noise or any other activity. Engines should only be run to charge electrical systems at times specified by the Waterspace Manager.
8. You agree not to store on your boat any article of an inflammable or explosive character (for example, fireworks) other than fuel and lubricants, as allowed for under the Boat Safety Scheme. This is for everyone's safety in the unlikely event of a fire.
9. You agree to comply with the directions of the Organisers, including from the Waterspace Manager and his or her team. The decision of the Organisers as to the allocation of moorings and other arrangements is final. The Organisers reserve the right to move any boat from any mooring at any time before, during or after the Festival, and to moor boats in any appropriate design or arrangement. You agree not to change the mooring designated to you without the agreement of the Waterspace Manager.
10. You accept that you are responsible for the conduct of all members of the crew of your boat (i.e. those people that this entry covers overleaf), including any children and pets at all times and in all places.
11. The Organisers will not be held responsible for any loss or damage, other than that to which the Organisers are legally liable as a result of their negligence. You should ensure that you have adequate insurance to cover any accidents or other losses. The Organisers will not be liable for any default due to any act of God, war, fire, flood, drought, tempest or other event beyond the reasonable control of the Organisers.
12. All information provided by you will be stored in accordance with current legislation. A copy of this information can be made available to you on request. The Organisers promise not to sell your details to anyone else.
13. You agree not to undertake any trading whatsoever, including the advertisement of boats for sale, from the boat covered by this entry. Exhibition entry forms are available on request. You agree not to invite any news, or other media (including television companies) to report or film without the written agreement of the Organisers.
14. The natural river bank limits access to the boats. A small number of moorings near the main Festival site may be easier for boats with registered disabled people on board. Applications for these moorings should be accompanied by proof of the registered disability (e.g. copy of document issued by a local authority for vehicle parking). The Organisers will try to satisfy reasonable requests for mooring requirements, but cannot undertake to honour any request beyond those made available to all entrants.

Notes

1. Packs containing information about the Festival, details of Festival awards and mooring locations will be posted out by about 15 April 2013 If you have not received your pack by 30 April 2013 please contact the Entries Officer.
2. A plaque will be made available for each craft entering and attending the Festival. Plaques are not provided for boats that enter but do not attend the Festival.

Data Protection. We promise not to sell your details to anyone else. We may send you information about local Trust membership and/or current waterways campaigns from time to time. If you are a member, or do not wish to receive this information, please tick just here.

We may also pass your details to the Inland Waterways Association local branch or their head office who may, from time to time, send you information about joining, special promotions and events, and seasonal offers in support of campaigning activities.

If you prefer not to receive such information, please tick just here.
