This WOW booklet is provided free by the Inland Waterways Association (IWA) a national charity dedicated to the conservation, restoration, maintenance and use of the inland waterways. www.waterways.org.uk

**Stay SAFE near water**

Never play near a canal on your own.

Always visit canals with an adult you know.

But keep off the ice - or you'll fall through.

**Fun time**

Frosty days are great for cycling on the towpath.

Remember the water is deep - **Stay Away From the Edge**

Enjoy watching boats going through the locks.

**i-Spy wildlife**

Tick the boxes when you see these.

- cowslip
- hawthorn
- kingfisher
- reeds
- bat
- moorhen
- heron

**Can you find the wildlife words in the wordsearch below?**

willow ducks shrew wasps fox insects fishes grebe tadpole water
